Tuition charges are set Mid-July, immediately preceding each academic year and can be seen at <http://www.bursar.psu.edu>. Fees include Information Technology, Student Initiated, and International.

This cost can be found at the bursar website at: <http://tuition.psu.edu/>

The cost of insurance for a dependent is equal to the cost of the student. Graduate rate listed. University assistantship stipends are not sufficient to cover dependents' expenses and are not intended to do so. **The high cost of child care for children ages 0-6 years is not included in the child expenses figures.**

<sup>5</sup>Graduate Assistant child dependent expenses are \$4,400 (\$850 @ 25%) for each of the first 2 children, with a maximum of \$1,700 insurance for 3 or more children.
