### Notes

1. The tuition estimates listed above are based on the minimum number of credits required by the Department of Homeland Security to maintain full-time student status. Tuition charges are set Mid-July, immediately preceding each academic year and can be seen at [http://www.bursar.psu.edu](http://www.bursar.psu.edu). Fees include Information Technology, Facilities, Student Activities, and International.

2. Graduate Assistant’s portion of the Mandatory Medical Insurance is estimated at $900.

3. **SUMMER ESTIMATES** - Full-time summer expenses are figured by adding $900 (books and supplies), $300 (fees), and the amount of your tuition which is: (i) for graduates 5 times the summer per credit cost; and (ii) for undergraduates 12 times the summer per credit cost. This cost can be found at the bursar website at: [http://tuition.psu.edu](http://tuition.psu.edu)

4. If you will be accompanied by dependents (spouse/children), you are fully responsible for their support and additional funds are required. University assistantship stipends are not sufficient to cover dependents’ expenses and are not intended to do so. The high cost of child care for children ages 0 to 6 years is not included in the child expenses figures.

5. Graduate Assistant child dependent expenses are $4,400 ($900) for each of the first 2 children, with a maximum of $1,800 insurance for 3 or more children.
